01 CONTRACTING

Introduction

A LEGACY OF EXCELLENCE

Albani Contracting is a fully licensed and insured contracting company based in Saudi Arabia, offering a comprehensive range of services. Our expertise spans civil construction, finishing works (including blockwork, plastering, painting, and tile installation), scaffolding, chain-link fencing, electrical and electromechanical services, water and sewage network installations, and generator maintenance.

At Albani Contracting, we are dedicated to delivering superior services, exceeding client expectations, and fostering the growth of our employees and communities.

EXCELLENCE BUILT ON EXPERIENCE, QUALITY DRIVEN BY COMMITMENT.”

KEY STRENGTH

■ Proven Expertise & Experience

Albani Contracting has a strong track record of successfully delivering large-scale construction and operations & maintenance projects. Our expertise enables us to handle complex projects efficiently, ensuring timely and cost-effective completion.

■ Skilled Workforce

Our highly trained and experienced labor force allows us to manage and execute projects of any scale with precision and efficiency.

■ Strong Leadership & Quality Management

Our dedicated management team upholds the highest standards of quality, ensuring projects stay on track through regular monitoring and proactive problem-solving.

■ Robust Resources & Advanced Technology

With access to top-tier local and international resources, cutting-edge technology, and high-quality materials, we have the capacity to undertake projects of any complexity.

■ Trusted Industry Reputation

Albani Contracting is known for consistently delivering high-quality projects on time and within budget, earning the trust of clients and securing long-term partnerships.

■ Commitment to Safety

We prioritize the well-being of our employees, contractors, and clients by adhering to strict safety protocols and industry best practices.

KEY STRENGTH

■ Uncompromising Quality Standards

Our Quality Policy ensures that every project meets the highest standards of excellence, with a continuous focus on exceeding client expectations..

■ Continuous Improvement & Innovation

We are committed to refining our services and processes to adapt to evolving industry demands, ensuring we remain competitive and ahead of market trends.

BENEFITS OF INTEGRATED CONSTRUCTION & MAINTENANCE MANAGEMENT

1

Seamless Communication & Coordination

A unified administration ensures clear communication and collaboration between construction and maintenance teams, enhancing efficiency and minimizing delays.

2

Optimized Resource Utilization

Shared access to equipment, personnel, and expertise reduces costs and ensures projects are completed on time and within budget.

3

Enhanced Client-Centric Solutions

Operations and maintenance teams provide valuable insights to construction teams, leading to smarter design decisions and facilities that better meet client needs.

6

Cost Efficiency & Streamlined Logistics

Centralized management improves procurement and logistics coordination, leading to better cost control and overall savings.

4

Consistent Safety Standards

A unified approach ensures standardized safety protocols across all teams, fostering a safer work environment for employees and contractors.

7

Stronger Market Reputation

A well-managed brand and reputation enhance credibility, attract new clients, and secure long-term business growth.

5

Smooth Transition & Service Continuity

Integrated teams facilitate a seamless transition from construction to operations and maintenance, ensuring uninterrupted service for clients.

03 DESIGN

ALBANI
UNITED DESIGN

ABOUT US

From the heart of Riyadh's most dynamic business districts, we are redefining what it means to shape space. Our studios are strategically placed to serve bold local pioneers, global brands, and forward-thinking institutions across Saudi Arabia.

We don't just design interiors, we craft experiences. Whether it's a flagship retail concept, a hospitality transformation, or a workspace that fuels innovation, our mission is simple: bring your vision to life with precision, purpose, and beauty.

We specialize in integrated design and fit-out solutions across multiple sectors including corporate offices, healthcare, hospitality, retail, and F&B. Every project reflects the client's identity and the function of the space, ensuring it not only looks exceptional but performs with intent.

Every fit-out, every detail, is a statement of who you are and where you're going. Rooted in transparency, driven by creativity, and grounded in trust, we deliver spaces that don't just function, they inspire.

**Every detail has a purpose.
Every space tells a story.**

SECTORS WE SERVE

Corporate Offices

We design and execute dynamic office environments that promote productivity, collaboration, and brand alignment—tailored to the operational demands of modern businesses.

Medical Clinics & Healthcare Centers

Our healthcare fit-outs prioritize hygiene, comfort, and efficiency. We follow regulatory standards while creating welcoming spaces for both patients and staff.

Restaurants & Cafés

We specialize in creating unique dining atmospheres that blend style with functionality, enhancing customer experience while supporting smooth operational workflows.

Retail Shops & Commercial Outlets

Our team delivers engaging retail environments that drive footfall and sales. We focus on customer flow, product visibility, and aesthetic appeal to support your commercial goals.

Hotels & Hospitality Spaces

We craft sophisticated hospitality interiors that offer comfort, luxury, and a memorable guest experience—each design tailored to your brand's identity and clientele.

OUR APPROACH

Our approach begins with listening. Truly listening to your goals, your challenges, your vision. From there, we craft environments that do more than function..they reflect your identity and vision, in addition to moving your mission forward.

We blend global design excellence with the soul of local culture, ensuring each project is not only beautiful, but deeply meaningful.

Sustainability isn't a feature. It's a foundation. We use eco-conscious materials and smart, energy-efficient systems to build spaces that are as responsible as they are refined. Behind every project is a dedicated team of designers, architects, and technical minds working seamlessly to bring your space to life with clarity, precision, and purpose.

From the first sketch to the final detail, we deliver more than interiors. We deliver peace of mind. Because for us, design isn't a service. It's a promise.

OUR MISSION

At Albani Design, we believe space is more than structure, it's a catalyst for culture, creativity, and change. Our mission is to redefine interior environments across various sectors in Saudi Arabia through innovative, functional, and culturally attuned design and fit-out solutions.

We craft intelligent, resonant spaces that don't just meet expectations, they move people.

**We're not here to follow trends.
We're here to set them.**

Driven by purpose and precision, Albani Design is becoming the region's leading name in interior design and fit-out, known not only for quality and reliability, but for delivering experiences that matter.

Because when a space is designed with intention, it doesn't just house ideas, it fuels them. We help businesses transform vision into environment, brand into atmosphere, and routine into inspiration.

OUR SERVICES

1

Interior Design

Our expert design team creates innovative and functional interiors that reflect your brand identity and operational needs. We blend modern aesthetics with cultural nuances to deliver spaces that are both inspiring and practical.

2

Fit-Out Execution

We bring designs to life with meticulous execution, using high-quality materials and skilled craftsmanship. From partitioning to finishing, we ensure every element meets the highest standards of durability and design.

3

Turnkey Solutions

We offer complete turnkey solutions, managing every aspect of your project from concept to completion. This hassle-free approach ensures a seamless experience with consistent quality and communication at every stage.

4

Design & Execution Consultancy

Our consultancy services bridge the gap between vision and reality. We advise on design feasibility, materials, and execution methods, ensuring your project is both visually striking and technically sound.

5

Project Management

With a detail-oriented project management team, we oversee timelines, budgets, and quality assurance to deliver projects efficiently and without compromise. Our proactive approach ensures clear communication and minimal disruption.

06

INDUSTRIAL

Albani United Industrial is the industrial arm of Albani United Holding, established to develop and operate strategic manufacturing ventures that combine quality, innovation, and business diversification.

Our industrial activity commenced with the establishment of several specialized factories, including:

- A sulfur production plant, focused on industrial and agricultural applications.
- Units for chemical and petrochemical packaging and bottling.
- A trading division for chemicals and petrochemicals, operating locally and regionally.

Our future plans include expanding into additional industrial sectors such as manufacturing, raw materials, and high value-added product lines.

We are committed to the highest standards of quality and safety, supported by strategic partnerships and advanced production technologies.

OUR VISION

To become a leading industrial company in Saudi Arabia, driving strategic manufacturing initiatives aligned with Vision 2030, and contributing to a diversified and sustainable national economy.

OUR MISSION

At Albani United Industrial, we are committed to developing and operating advanced industrial projects that meet local and regional market needs—driven by quality, innovation, and local content development—through strategic partnerships and modern technologies.

FUTURE EXPANSION PLAN

1

Launching the sulfur and derivatives plant in the initial phase

2

Scaling operations in the chemical and petrochemical sectors
(trading, packaging, and distribution).

3

Establishing additional factories in strategic industrial fields, including:

- Manufacturing and conversion industries
- Raw and composite materials
- High value-added product segments

4

Building strategic industrial and technology partnerships with global players.

5

Investing in high-efficiency production lines to achieve sustainable growth and long-term profitability.
